Writing is easy. All you have to do is cross out the wrong words. *Mark Twain*

Always be a poet, even in prose. *Charles Baudelaire*

The writing process, the way I go about it, is I do whatever the beat feels like, whatever the beat is telling me to do. Usually when the beat comes on, I think of a hook or the subject I want to rap about almost instantly. Within four, eight bars of it playing I'm just like, „Oh, OK. This is what I wanna do”. *Eminem*

The artist is always beginning. Any work of art which is not a beginning, an invention, a discovery is of little worth. *Ezra Pound*
